## PJ Masks

X50988\_en

---

Write a program that reads a text (i.e. a sequence of strings) and prints the words "Catboy", "Gekko", and "Owlette" in the order they first appear in the sequence. Notice that the sequence may contain more than one occurrence of each of these three strings.

**Exam score:** 3.500000 **Automatic part:** 50.000000%

### Input

The input is a text (a sequence of strings) that contains at least one occurrence of each of the strings "Catboy", "Gekko", and "Owlette".

### Output

The output consists of the three strings "Catboy", "Gekko", and "Owlette" in the order of their first occurrence in the input sequence.

#### Sample input 1

```
I'm Catboy
I'm Owlette
I'm Gekko
And we're the PJ Masks
Let's go, PJ Masks
Gonna try-y-y together
Try-y-y together
Even if we miss the on first shot
We'll try it again and we'll get
to the top
Let's go PJ Masks
We're gonna work together
If there's a mountain too hard
to climb
If there's a wall that's a little
too high
If we see villains looking for a fight
One more shot and we'll rule
the night
Gekko has super might
Owlette flies in the sky
Catboy comes to lead the way
We're the PJ Masks and we'll
save the day
Gonna try-y-y together
Try-y-y together
'Cuz We're better, we're taller,
we're faster, we're stronger
Let's go, PJ Masks
We're gonna win together
```

#### Sample output 1

```
Catboy
Owlette
Gekko
```

#### Sample input 2

```
Entertainment One on Wednesday
said that a second season of its
```

```
preschool animated superhero TV
show PJ Masks, which airs on Disney
Junior and France 5, has been
greenlit for production and is set for
```

delivery from fall 2018.

In the new season we'll find Owlette fighting by her friend Catboy against the evil. Owlette finds out that Gekko is having big troubles, and she and Catboy must save the day once again.

## Sample output 2

Owlette  
Catboy  
Gekko

## Observation

**WARNING:** Using type `vector` or any other mass storage will render the exercise INVALID.
